Saturday, March 21

at the San Francisco Museum of Modern Art

Contact the Office of Development at 415-929-6431.

information

BRING YOUR STAFF/GUEST TO THE MEETING

Your hygienist, dental assistant and lab technician may attend any of the lectures Friday and/or Saturday for a \$75 CE fee; they will receive continuing education units for courses attended. If you are bringing other non-staff guests to the Reception on Friday there is no charge, but do sign them up on your registration form so we know how many people to expect.

Dentists in your employ cannot attend as "staff," but are very welcome as Associates. Encourage your non-Pacific dentist friends to attend our meeting by joining our association as Associate Members for \$195 membership dues.

STAY AT THE MARRIOTT HOTEL

Make life easy, and help your alumni association at the same time, by staying at the Marriott as a participant of our required room block. Our group rate begins at \$189 for a single room and \$209 for a double room. For reservations, call 888-575-8934 and say you're with our group. For web reservations go to www.sfmarrriott.com and use code UPDUPDA for a single room, UPDUPDB for a double, UPDUPDC for a triple or UPDUPDD for a quad.

Parking

The hotel garage cannot accommodate all of our attendees. Instead, park at the Fifth & Mission Parking Garage where the 7-12 hour rate is \$25 and the overnight rate is \$30. Go to www.fifthandmission.com for details.

110th Annual Alumni Meeting

THE NEW
GENERATION
INTERDISCIPLINARY
APPROACH
IN ESTHETIC DENTISTRY

FRIDAY AND SATURDAY,
MARCH 20-21, 2009

THE MARRIOTT HOTEL
55 FOURTH STREET
SAN FRANCISCO

activities

REGISTRATION START TIMES

7:30 AM on Friday

8:00 AM on Saturday

Avoid waiting in line at the meeting:

For pre-registration status, registration forms must be received by February 25, 2009. Badges will be mailed in advance, except for those attending our luncheon or if you are in a reunion class.

Please Note: The registration fee of \$75 applies to pre-registration through February 25 only; after that date, participants must register on-site with a \$100 registration fee. Why a registration fee? In order to continue holding our annual meetings in San Francisco as our members wish, we must supplement our only source of income – membership dues payments – with a nominal registration fee. We truly depend on your support.

No refunds for cancellations after March 6.

COMMERCIAL EXHIBITORS

7:30 AM – 7:00 PM on Friday

8:00 AM – 1:00 PM on Saturday

2 units

ANNUAL RECOGNITION LUNCHEON

Friday, March 20

Golden Gate A-B

12:00 Noon – 1:50 PM

\$60 per person

Our dean, Dr. Patrick Ferrillo, will update participants on what's new at the school; Medallions of Distinctions will be presented to several distinguished guests; we will hear from our current Alumni President, Dr. Darryl Lee '77 and be introduced to the 2009-2010 President, Dr. Marvin Carnow '74A.

- Class of 2009 students and residents hosted by the membership
- Reunion Tables for "9-" or "4-" ending class years
- Student Scholarship recipients will be introduced

courses

FRIDAY, MARCH 20

Vincent O. Kokich, Jr., DMD, MSD

Jim Janakievski, DDS, MSD

Greggory Kinzer, DDS, MSD

“Creating Optimal Esthetics in the Complex Patient: Establishing Interdisciplinary Treatment Objectives”

6 units 9:00 AM – 5:00 PM

(Lunch break 12:00 Noon to 2:00 PM)

Should we consider creating the “30-something” smile for every adult who seeks softening the effects of aging with a more youthful smile? Or should we be setting more realistic objectives that are more age appropriate? Our three headline speakers will address the various etiologies associated with specific anterior esthetic dilemmas as well as functional problems such as inadequate and excess overbite and overjet. The importance of using an interdisciplinary team approach will be discussed.

Mike Carroll, Practice Broker; Fred de Roode, CFP;

Gary Mitchell, Insurance Broker; Steve Tiret, CPA;

Daryl Weinroth, Esq.

“What You Need to Know Before You Begin, Grow or Sell Your Practice”

9:00 AM - 11:30 AM

Continuing after lunch 2:30 PM – 4:30 PM

Participants can ask our panel of Pacific Dental Education Foundation (PDEF) experts about financing and/or tax consequences of purchasing a practice, pros and cons of purchasing vs. starting from scratch, how much insurance you will need, and what legal issues might you face. Participants will have the opportunity to speak to the experts in separated areas for privacy.

Ann Cisneros, Planned Giving Officer

“Ask Ann”

9:00 AM – 11:30 AM

Continuing after lunch 2:30 PM – 4:30 PM

Come and talk to Ann privately if you have questions about estate gifts or plans.

A planned giving officer at Dugoni School of Dentistry, Ann has the answers you need.

Maximum C.E. units available during this meeting through the Alumni Association: 12

SATURDAY, MARCH 21

Philip R. Melnick, DMD, FACD

Paulo M. Camargo, DDS, MS, MBA, FACD

“Periodontics, Esthetic and Restorative Dentistry”

4 units 9:00 AM – 1:00 PM

Restorative and esthetic dentistry are intimately related to periodontal health, both on the natural dentition and around dental implants. This presentation will address several clinical situations that may complicate the delivery of otherwise routine restorations. Emphasis will be on practical and predictable solutions through case presentation.

Arthur W. Curley, JD

“California Dental Practice Act”

2 units 9:00 AM- 11:00 AM

This two-hour presentation is designed to meet the state dental board’s requirement for a course on the California Dental Practice Act, and it includes all elements required by the board. It is a review of basic dental practice law, along with important ethical components of effective practice.

Jeffrey L. Carter, DDS

Patricia S. Carter, I.I.D.A.

“Planning, Designing and Constructing Dental Facilities”

2 units 9:00 AM – 11:00 AM

The Carters will examine the details of planning, designing and constructing state-of-the-art dental facilities. This highly visual presentation will include hundreds of images of newly constructed, remodeled and renovated dental facilities including several recent dental office design winners.

William A. van Dyk, DDS

“Handle Transitions in Dental Practice While Continuing Quality Patient Care”

2 units 11:00 AM - 1:00 PM

As the population of dentists ages, more and more are trying to plan for some type of transition out of dentistry. Before making an investment in a consultant, broker, or other transition company, senior and new dentists should take this course to get an overview of the issues involved in transitions and many things that can be done to make a transition easy and comfortable for the senior dentist, the new dentist, and the patients they serve.

Eve Cuny, MS

“California Infection Control Requirements”

2 units 11:00 AM - 1:00 PM

This course meets the requirement for 2 units of CE in infection control for all licensed dental workers in California. The program focuses on practical ways for the dental team to meet the minimum standards for infection control. Topics include bloodborne diseases, disinfection, sterilization, exposure incident prevention and follow-up.
