

Project Vision

The program for Pacific Dugoni will provide an innovative academic environment that supports the family spirit of the school, connects us to our community and supports our desire to be stewards of our environment. It will be comfortable, distinctive, inspiring and capable of adapting to new technologies, pedagogies and scholarship.

Project Vision Image

- Evokes a family at home
- Light and airy, welcoming
- Stonework - a solid feeling environment
- Communal space with a path elsewhere
- Flexible - furniture is moveable, uncluttered space

Project Drivers - This project will be a success when...

- The building facilitates innovation - the pursuit of tomorrow always being better than today.
- We are a center for excellence in all we do.
- We are internationally recognized for our advanced technology that supports our creative, collaborative environment.
- The building exemplifies our vision, mission and core values.

Project Drivers - This project will be a success when...

- The community is proud to have us as a neighbor.
- We have appropriate space for experiential learning, scholarship and treating patients.
- When it provides a supportive environment for the well-being of everyone who spends time in our school.
