

MEDALLION OF DISTINCTION AWARDS

(Revised 10/09)

This award will be divided into three categories. The guidelines for each of the categories are listed below:

Category I Outstanding Contributions to the Dental School or Alumni Association

By an Alumnus or Associate Member who has made contributions to the dental school or the Alumni Association as an active member in terms of time, talents, dedication, leadership and other contributions.

Category II Outstanding Contributions in Any Area

By an Alumnus or Associate Member who has made significant contributions not directly associated with the dental school or Alumni Association as in Category I, but through participation in community, public health, civic, political, humanities, literature, art, music or other areas of endeavor.

Category III Outstanding Contributions to the Dental School or Society

By an individual dentist (not an Alumnus or Associate Member) or non-dentist who has made outstanding contributions to the dental school or to society in general which the school or the Alumni Board of Directors may wish to recognize.

This category will be an optional category and need not be given each year.

The Medallion of Distinction recipients will be announced in promotions for the Annual Meeting and presented with their medallions at the Annual Alumni Luncheon.
