## EVENTS

We can provide on- and off- campus coverage for official Arthur A. Dugoni School of Dentistry events, including pre-event promotional photography as needed.

If you are planning an upcoming event, please contact us as soon as possible to discuss your specific photography needs and scheduling.

## MARKETING

We produce photos on an ongoing basis for use in a wide variety of print and digital promotional/advertising literature, including *Contact Point* magazine, marketing brochures and materials, and our website.

If you require specific photography for a new project, please contact us well in advance to ensure that we can meet your deadline.

## HEADSHOTS

All **new faculty and staff** hires should contact us to schedule an official portrait shoot as soon as possible in our photography studio (Room 411).

**Student headshots** are taken for each incoming class during first-year matriculation and near the end of the third year (in cap and gown). Dates and locations for these photo shoots will be announced well in advance.
