OPENING JULY 2014

New Campus Preview
155 5TH STREET
SAN FRANCISCO

> Conveniently located at 155 5th Street, this world-class facility is under construction in San Francisco’s dynamic and highly accessible South of Market district

> Flexible learning environments will support small-group learning and include state-of-the-art simulation and research labs, communal areas and study spaces

> Redesigned clinical areas with improved patient privacy and eight student group practices will more closely resemble private dental clinics

> Sustainable design will earn the campus LEED Gold certification

> Expanded space for University of the Pacific programs and events
