

**University of the Pacific Arthur A. Dugoni School of Dentistry  
124th Annual Alumni Meeting – 2023 Alumni Weekend  
37<sup>th</sup> Frederick T. West Orthodontics Lectureship  
The Fairmont Hotel, San Francisco**

**Leslie Canham, CDA, RDA**

Saturday, February 25, 2023

8:30 am – 10:30 am – 2 CE units

**Subject Area:** California Dental Law

**Title: "California Dental Practice Act"**

**Course Description:**

Meet California Dental License renewal requirements and learn about updates to regulations that affect dentistry. Topics will include scope of practice, violations of the dental practice act and attending regulations, citations, fines, license actions, mandatory reporter obligations, prescription writing regulations, license renewal requirements, and determining the legal use of utilizing dental auxiliaries.

**Objectives:**

- 1) Understand scope of practice, violations and attending regulations.
- 2) Learn about new duties and settings and license renewal requirements.
- 3) List required postings for Dental Practices.

**NOTE:** *This two-hour course satisfies re-licensure requirement for dentists, hygienists and assistants.*

11:00 am – 1:00 pm – 2 CE units

**Subject Area:** Infection Control

**Title: "Infection Control Teamwork – How to Make Infection Control Sticky"**

**Course Description:**

Breaches in Infection Control and the COVID-19 Pandemic demand that we review, update, and fine tune our infection control knowledge, skills, and procedures. In this high-energy, memorable course, learn how to update existing infection control practices to meet the current CDC Guidelines. Examples of infection control DOs and DON'Ts and hands on demonstrations will provide the participant with valuable tips. This program will motivate the participant to strive for infection control excellence. Take-aways include: an infection control checklist, instrument processing protocol, and top resources for infection control and safety.

**Objectives:**

- 1) Understand how to incorporate the CDC Guidelines in your practice.
- 2) Develop and implement an office infection control checklist.
- 3) Learn how to achieve a culture of infection prevention and safety.

**NOTE:** *This two-hour course satisfies re-licensure requirement for dentists, hygienists, and assistants.*

**Short Bio:**

Leslie Canham, CDA, RDA, CDIPC is a nationally recognized dental speaker, Podcaster with The Compliance Divastm, and Certified Speaking Professional. She specializes in Infection Control, OSHA compliance, Dental Practice Act, and HIPAA regulations. Her live and programs are highly interactive with audience participation to educate and entertain. In the dental field since 1972, Ms. Canham's dental experience and expertise helps dental professionals reduce risks and navigate the regulatory environment.
