

Faculty Research Request Procedures for Study of the S. R. Atkinson Library of Applied Anatomy

The University of the Pacific faculty member requesting research access to the Spencer R. Atkinson Library of Applied Anatomy skull collection (Atkinson Collection) should submit the following in writing:

- Name, department, phone number and email address
- Provide statement agreeing to send copies of abstracts, publications, posters and full citations of any work resulting from this study
- Explain purpose for examination of the collection, including:
 - General hypothesis and methodology; description of procedure
 - What type of specimens you expect to examine (i.e., age groups, ethnic groups, particular syndromes, pathologies, etc.)
- Explain methods of examination of the collection, including:
 - Describe what anatomical structures you plan to examine or measure (i.e., parts of the dentition, particular parts of the skull, specific anatomical features, etc.)
 - Describe what equipment you expect to use during the study (i.e., calipers [describe previous experience using], camera, X-ray, MicroScribe digitizer, scanner, etc.)
- Indicate whether you expect participation by other researchers (including students), name(s) and affiliation(s) of other researcher(s), and what their tasks will be
- Provide the *suggested* date(s) and proposed duration of your study

Completed Research Requests should be emailed to:

Dorothy Dechant (Curator, CDHCS) at ddechant@pacific.edu
