

Keynote Address: *Dr. Allen Huang, MD, DDS*

Allen Huang is an oral and maxillofacial surgeon who is currently undergoing additional fellowship training in the field of sleep surgery at Stanford University School of Medicine. He completed his undergraduate studies at UC San Diego before obtaining his dental degree at UC San Francisco. Following dental school, he completed his oral and maxillofacial surgery residency at the University of Southern California, where he obtained his medical degree as well. Currently, he is a clinical instructor in sleep surgery within the department of head and neck surgery at Stanford. His clinical interests include skeletal surgery to address obstructive sleep apnea as well as nasal surgery. His hobbies include golfing, playing basketball, and driving fast cars.
